CALGARY AND HOCKEY.

The Edmonton juvenile hockey team left Calgary yesterday morning and came as far as Wetaskiwin where they stopped over in order to get a game with the team there. Mr. Ralph Bellamy and others who went to Calgary in charge of the Edmonton team, returned home last night. They are disgusted with the way Calgary acted in the matter and say that their disgust is shared by a large number of the best people of Calgary.

Edmonton has a splendid juvenile hockey team as well as junior and senior teams. The juveniles heard that a cup had been put up by a Calgary gentleman for competition among juvenile hockey teams in Alberta. They challenged the Calgary juvenile team for it and their challenge was accepted. Arrangements were made and the boys left for Calgary Friday morning. Friday evening the first match was to take place, but the Calgary juvenile team were not in evidence. A large number had turned out to see the match and sooner than disappoint the spectators the Edmonton juvenile team played an exhibition match with the Calgary senior team, and their only senior team, and played them to a splendid, 4-1, half time the game stood 2-1 in Edmonton's favor, but at full time the Calgary seniors had scored four goals to their opponents' three. Before this exhibition match was commenced, Mr. Bellamy, as manager of the Edmonton team, had been promised that the Jackson cup would be placed with a Calgary merchant and that a Calgary junior team would play the Edmonton juveniles for the Jackson cup on Saturday afternoon.

Needless to say to anyone who has been following Calgary's contemptible hockey tactics the same Calgary senior team met the Edmonton juveniles Saturday afternoon. The Edmonton team refused to play under the circumstances and in this they were supported by numerous Calgary people, who were strongly opposed to the tactics of their own hockey sports. Calgary had on their team three of the players who played in Edmonton last year for the championship of Alberta.

A demand was then made for the Jackson cup, and the Calgary management had the effrontery to tell the Edmonton team that there was no such thing as the Jackson cup. "Cap" Smart said that he was holding a Jackson cup in trust for the sons of the Calgary fire brigade, but that it was not put up for competition. It is strange that this view of the case did not present itself until the Calgary senior team saw what a splendid brand of hockey the Edmonton juveniles could put up.

The boys will arrive back in Edmonton tonight.

THE NEW YEAR'S HOCKEY MATCH.

Editor Bulletin.—Allow me space in your paper to answer the unjust accusations of the Strathcona Plaindealer, in reference to the hockey match on New Year's day on Strathcona ice. If the editor of the Plaindealer had enquired from the proper source, he might then have been able to have given a correct report of the dispute as it occurred. At the beginning of the game I informed the captain of both teams that I would only listen to complaints from them, and I followed this out to the letter. When Captain Richards of the Strathcona team, came to me complaining that the last goal scored was from an off side, my answer to Richards was: "Mr. Richards, I did not see it." Was this a courteous answer? The Plaindealer says it was not. Whereupon Richards remarked: "You are rotten and crooked," which latter was a courteous and gentlemanly remark; so thinks the Plaindealer. Let us consult section 18 of the rules of the Canadian Amateur Hockey League, by Arthur Purcell. It says:—

"Any player guilty of using profane or abusive language to any officials or other players shall be liable to be ruled off by the referee."

I then asked Captain Richards to leave the ice for three minutes. He refused. The Plaindealer says: "He then pocketed the puck, with the remark that if Richards would not leave the ice, he would, and you know what that means. He thereupon left the ice." The above is correct in part, inasmuch as I told Richards that if he did not leave the ice I would, and you know what that means. But the puck I did not touch. I rang the bell for the players to face the puck, and asked Strathcona players to put on a centre player in place of Captain Richards. Richards made a move except Captain Richards and I again told him to leave the ice. He again refused, and I told him I would leave the ice. He did not offer to obey. I picked up the puck and handed it to Mr. McKernan, one of the Strathcona team, who asked what was the matter. I answered that Richards would not take the three minutes I gave him. I went to the dressing room to take off my skates and was followed by Mr. Davies and Mr. Jackson, who are officers of the Strathcona team. They asked me to return to the ice for the good of the sport. I told them that I would if Captain Richards would apologize and obey his sentence of three minutes. Mr. Davies said that he knew Captain Richards was quick and hasty but not to mind him, that they, Mr. Davies and the players acknowledged that Captain Richards should not have said what he did, and that I was not asking any more than what was due to me from Captain Richards. Mr. Davies then went to Captain Richards to see what he would do, and the latter said he would allow the goal, but would not obey the sentence. It is hard to see where Mr. Richards could get any authority for allowing a goal. The rules of the Canadian Amateur Hockey League, section 16, say:—

"All questions as to games shall be settled by the umpires, and their decision shall be final."

When Mr. Davies gave me Captain Richards' answer, I told him and those around when asked what the decision would be in regard to the game, that the only course left for me to pursue, when Captain Richards would not obey the ruling, was to declare the game in favor of Edmonton. I declared this decision in the dressing room of the Strathcona rink.

Mr. Editor, I have given you the facts as they occurred. More I wish to say that even though the referee's goal had been a majority in favor of Strathcona, yet, on account of the game ending in a dispute, owing to the disobedience of the ruling

of the referee by one of the Strathcona team, the decision could only have been given in favor of Edmonton. Furthermore, I wish to state that I never made any official declaration other than the score of 4 to 4, and if it was published differently by the Edmonton press, it was not on my authority.

O. F. STRONG, Referee.

ALBERTA COLLEGE

"Let knowledge grow from more to more,
 But more of reverence in us dwell;
 That mind and soul, according well,
 May make one music as before,
 But vaster."

Another Christmas vacation has been numbered with the past, and now the students have again gathered in the college halls to continue work. But not the old students alone; so rapid has been the increase in the attendance that the capacity of the college has been greatly taxed. Nearly twenty new students have arrived from different parts during the week.

In addition to the staff of 1903, we now have as teacher in English and Moderns, Miss Nichols, of Hamilton, Ontario, whose high standing and successful work in the East promises a very fortunate addition to the already very efficient staff.

Among our new students is Miss M. A. Stewart, formerly connected with the Postill Company, Red Deer. Miss Stewart is taking up the Commercial and Music courses afforded here.

Miss F. E. Bruce comes from Macleod, and is a daughter of Dr. Bruce, of that town. Miss Bruce is a student from the distance, and we hope next year to have many in our halls from the south.

Mr. C. M. Watts is an undergraduate of the Minnesota State University, having there taken up mechanical engineering.

Miss W. J. Howard, of this city, is also imbuing knowledge at this point. Miss Howard takes up commercial work and music.

H. W. Bruce, from Camdelf, has also arrived. He is taking up matriculation and commercial work. Mr. Bruce's two brothers, Mr. S. Bruce and Mr. J. W. Bruce, have distinguished themselves as university students and no doubt the third brother will do the same.

Miss A. J. Carson has entered our institution from Ireland's green fields. Even our worthy principal did not expect that the college fame would spread so far in the first year. Previous to entering college, Miss Carson was applying pedagogical principles at Clover Bar.

Walter Smith comes from the highest place in the West. For why? Well he comes from the Hat, you know. He takes matriculation. He is a worker and besides his college work is the energetic paragon of a mission field.

A number of others have come in, of whom we will make mention later.

On Tuesday last a student's mass meeting was held in the assembly room of the college. Prof. Rice in the chair. Besides other business a glee club was organized to be known as The Alberta College Glee Club. The following officers were elected:—

President, Rev. Principal Riddell.
 Librarian, J. Palmer.
 Accompanist, Miss Lockhart.
 Conductor, Prof. Rice.

Monday and Wednesday evenings were set as practice nights and soon papers will hear the sweet strains of music and song arising from the college. This club has a bright future, as there are a number of talented musicians and singers among this year's class.

Although the students do not experience any trouble by running against street cars, cabs, etc., yet there are other things they sometimes run up against more awful and irregular even than the town police, such as Greek verbs, Latin translations, typewriters (the machine), etc. Nevertheless life is busy here, but you shall hear again how Palmer bought his music. Glover arranged his gymnastics, why a lady is a good banker, or pointers to a student in selecting a boarding house in town. January 9th.

ST. ALBERT WEDDING

The wedding of Miss Kate Stephens, daughter of Mr. and Mrs. Stephens, of Morinville, with Mr. Peter Hettlinger, son of Mr. and Mrs. Hettlinger, of St. Albert, took place at the church at Morinville on Monday, Jan. 4th, at 10 o'clock. They were married by Rev. Father Elbert. A reception was afterwards held at the home of the bride's parents at which about 150 guests were present. The bride was dressed in a pale blue crepe de Chine trimmed with silver sequins. The bridesmaid was Miss M. McNamara, of Riverview, who was dressed in a dove grey costume. The bridegroom was accompanied by Mr. F. Stephens. The presents were very numerous and costly.

SUNDAY'S SERVICES.

A splendid audience greeted Evangelist Rodger at the mass meeting of men in Robertson hall on Sunday afternoon. Mr. Rodger spoke on "Sowing and Reaping", taking his text from the epistle to the Galatians, Chapter 6 and verse 7: "Be not deceived, God is not mocked, for whatsoever a man sows, that shall he also reap." The speaker emphasized the fact that if a man sowed to the flesh, he would of the flesh reap corruption, but if he sowed to the Spirit, he would reap life everlasting.

(1) That a man expects to reap what he sows. (2) That a man expects to reap the same kind of seed that he has sown. (3) That he expects to reap more than he sows. (4) Ignorance of the kind of seed sown would make no difference. In simple language and with great force he set forth the evils that existed among men at the present day, and pleaded with those present to stop sowing to the flesh and lead a clean, white life. Jesus Christ was the only Saviour of men, and he was both able and willing to save to the uttermost all that came unto God by Him. Christ would save men from the penalty and power of sin if men would only trust Him as their Saviour.

Male quartettes from the Methodist and Presbyterian churches rendered selections, and Mr. Howard Stubbins sang "Gallies" and "One Sweetly Solemn Thought" with great acceptance.

The Presbyterian church was crowded to the doors at the evening service. Rev. Thomas Rodger spoke from Acts 20: 8. "He sunk down with sleep." At the close of his address Miss Webster sang with splendid expression, "Was it for Me, the Savior Died."

BOARD OF ARBITRATORS

In another column we publish a letter from Dr. Strong stating his, the referee's, view of the dispute at the New Year's hockey match between Edmonton and Strathcona teams on Strathcona ice. Without venturing an opinion either way regarding the merits of the dispute, we merely regret it, Edmonton and Strathcona are so situated that it is dependent on the other for a successful winter's hockey season. Both teams have reached a high degree of perfection in their playing, and honors are pretty evenly divided. The Edmonton team had won all the honors so far this season and feeling ran high between the two towns and the two teams. The Strathcona team put forth all their combined efforts on New Year's day to win out. The score stood even and the next game was held for Edmonton. The dispute has and has occasioned considerable hard feeling which is much to be regretted.

Some time ago efforts were made to have a board of arbitration appointed from the two towns to settle any matters of dispute that might arise. This committee could hear the sides of the case from the captains of both teams and from the referee and goal umpires. Their decision would be final. The committee should be composed of an equal number of reliable men from both towns. Immediate steps should be taken to have such a committee appointed before another hockey match takes place.

Some time ago efforts were made to have a board of arbitration appointed from the two towns to settle any matters of dispute that might arise. This committee could hear the sides of the case from the captains of both teams and from the referee and goal umpires. Their decision would be final. The committee should be composed of an equal number of reliable men from both towns. Immediate steps should be taken to have such a committee appointed before another hockey match takes place.

TO OUR CORRESPONDENTS

Now that we are well into winter and the threatening season, the Bulletin would like to hear regularly from its numerous correspondents. Up till quite recently there was a considerable falling off in the amount of correspondence received. This was chiefly due to the fact that many of our correspondents were busy with their harvest and threshing. The long winter evenings will enable more time to be given to other matters. All items of interest will be thankfully received from our correspondents. We wish to have every community in the Edmonton district represented and in any settlement where there is a regular correspondent, we would be obliged to anyone who would be willing to act for us. Any such offer mailed to the Bulletin office would be thankfully received and dealt with by us. A good live correspondent is of great value to the district in which he resides, by keeping that district and its doings prominently before the public.

If any of our correspondents are out of correspondence paper, envelopes or stamps, a postcard to this office will bring them new supplies. Let us hear from all our correspondents at least once a week.

POPULAR LAKE.

On the afternoon of Dec. 23rd, closing exercises were held in Popular Lake school. Some of the parents and friends of the pupils were present. A vote by ballot resulted in the election of Rev. A. Ross as chairman. After the chairman's address the following program was rendered:

Song by the school.
Recitation, Rene Hutchings.
Dialogue, "Chicken Little."
Recitation, Mona Spalding.
Reading, Lizzie Kennedy.
Song, by "Ten Little Popular Cousins."
Recitation, Colin McDiarmid.
Dialogue, "The Lost Knife."
Recitation, Joe Hudson.
Song by the school.
Recitation, Eunice Shand.
Recitation, Hattie Hutchings.
Recitation, Charlie Hudson.
Spelling match, "Juniors."

Speech by Joe Hudson, after which he presented the teacher, Mr. McKilrick, with a leather writing case on behalf of the pupils and as a token of their friendship.

After several of the visitors present spoke briefly on various topics, refreshments were served. The entertainment closed with the singing of God Save the King.

BEAVER LAKE EAST

Much work to a considerable extent, is being done, chiefly in the line of building logs and fence posts. The lack of snow in the woods, while a drawback so far as hauling is concerned, is a benefit in other ways. Coal is now to be had across the lake in the Tofield district. The Sunday school entertainment in Year's Eve was a great success. The building was crowded, and all seemed to have a good time. The Christmas tree was well loaded with gifts, every child in the place came with church or school, being remembered.

The program was as follows:—
Address by chairman, Mr. Fane.
Opening Chorus, Misses C. E. McCallum, Watson and Wilson, and Messrs. Goli and McCallum.
Recitation, Jimmie Stewart.
Instrumental selection, Miss Deby.
Song, W. Burnett.
Chorus by the children.
Recitation, Mary I. McCallum.
Song, Mr. Fane.
Dialogue, by four young girls.
Duet, Maggie and Lizzie Watson.
Recitation, Miss Jennie Wilson.
Reading, Donald McCallum.
Song, Margaret Gold.
Recitation, Jessie Steele.
Song, Mr. Gold.
Tableau, "The Musical Family," Miss Wilson, and Messrs. R. Wilson and Albert McCallum.
Song, Mr. Fane.
Dialogue, William Gold and Hugh Steele.
Recitation, Margaret McAllister.
Recitation, Thompson McCallum.
Chorus, "Santa Claus," by children.
Miss Deby was a success as accompanist.

At the conclusion of the chorus old Santa himself came jingling in, and, after a few merry remarks, proceeded to distribute the presents, willing hands aiding in unloading the tree. Santa (W. Burnett) was dressed in regulation style and made quite a sensation. Then came refreshments in such abundance that as usual, a lot remained when all were satisfied. Then three choruses for Mr. Gold, the ladies, Santa Claus and the chairman, after the singing of God Save the King, ended a very pleasant evening amid much hilarity.

A prairie fire was visible at the south end of the lake during one of the last evenings of December; an unusual sight at this time of year. The last time such a thing occurred was in the winter of 1889-90, when Mr. Deby says, fires were running. That winter, however, was practically snowless, and the following summer was the driest on record.

IN ERROR.

At the last council meeting a communication was read from F. Morgan asking for assistance in taking his wife and children back to Ireland. Mr. Morgan is of the opinion that the council misunderstood the assistance asked for. What was wanted was a letter to the department of immigration asking that tickets be supplied Mr. Morgan, who is an elderly gentleman and his family to take them back to the old country, as he had not been able to get a team of horses with which to do his homestead duties. However, since writing the letter Mr. Morgan has made arrangements for getting a team of horses and he has homesteaded in the Birch Lake district. Mr. Morgan is increased at being called an Englishman, as he is an Irishman.

BRITISH IMMIGRATION.

Tribune.

That the immigration of Canada in 1904 will far exceed any former marks there is every reason to believe.

The department is already being rushed to their wits' end with numerous inquiries of prospective settlers, from which they infer that all former records will receive a severe jolt this year.

What makes the department feel all the more optimistic for this year's prospects was the receipt of a letter the other day from W. W. Ellison, of a shipping and information firm located at Newcastle-on-Tyne.

The communication states that a party of 500 agricultural immigrants will leave that point next month on their way to Canada, reaching this country by the end of February.

The letter goes on to enquire what chances there were for the immigrants to secure land in the Saskatchewan Valley or near the Barr colonists as the proposed party desired to locate as near these people as they could, they having a large number of friends among the colonists now in the Saskatchewan Valley.

The communication also states that immigrants desire much more to come out in parties than individually.

The fact that the party is anxious to locate near the Barr colonists, and that they are numbered among the friends of these people is extremely gratifying news to the department, as it clearly shows that the progress of the Barr colonists has been satisfactory to a marked degree.

Commissioner J. Obed Smith has written Mr. Ellison stating that the department could suitably locate parties from five to five thousand in the neighborhood of the Barr colonists. The government, however, has stipulated that the party must come directly under the control of the department and not as a private enterprise.

Most of the immigrants will be English, though some of them will be Scotch.

The party will be the first of any size to reach Canada this year. Immigration is starting somewhat earlier this year than in 1903.

No better time than the beginning of the year to tender our sincere thanks to our very numerous customers and to solicit a continuance of their patronage, and also predict that the present year will largely increase the number. HERE'S A STARTER FOR 1904

FLOUR

Like everybody else we have sadly realised that through an unusual accident our wheat crop has been partly destroyed; this and the large immigration of last year, will increase the demand for flour far in excess of the possible local production. Under the circumstances the salvation to better our present situation was to look abroad, so we did; and we were fortunate enough to secure large quantities of flour at a comparatively low figure, of which we give the benefit to our customers and the public:

HENCE DOWN GOES THE PRICE

2nd Strong Bakers \$2.25 single bags

3rd Assiniboia \$1.65 (grade next to Strong Bakers)

We have a car in and more will follow regularly. Bear in mind that this is not to run opposition to anybody but simply to supply our customers and the public with their daily bread, like everything else in our stores, at the lowest possible figure. When coming for your flour do not forget to bring a list of all your wants. We can fill your order from beginning to end.
